Overview

- Purpose and PLC Objectives
- Review of Previous Minutes
  June 2, 2026
- Site Update
- Site Approvals
- Community Donations
- MECP Updates
- Other Business

Purpose and Objectives of PLC

- PLC is a condition under the Environmental Compliance Approval (ECA)
- Function in accordance with the Terms of Reference for the PLC, as amended

"The PLC shall serve as a forum for dissemination, consultation, review and exchange of information regarding the operation of the landfill Site, including environmental monitoring, maintenance, complaint resolution, and new approvals or amendments to existing approvals related to the operation of this landfill Site."

- PLC members and their roles
- PLC Meetings are open to the public and shall be held in public
- The PLC may hear deputations from any member of the public or interested agency pertaining to the Site and its operation

Review of Previous Minutes

- The Draft June 2026 meeting minutes and presentations were posted to the Brooks Road Environmental website.

- Questions/Comments on the Draft June 2026 Meeting Minutes?

Site Update - BRE

Site Update

Leachate Treatment Plant

- Mechanical and Electrical contractors are currently on-site working on repairs to the treatment plant. It is anticipated that work will be completed by the end of the year. Once completed, hauling to the Haldimand County Treatment plant will resume.

- Currently, raw leachate is still being hauled to a wastewater treatment plant.

- Discharge to the roadside ditch will not resume until the recommissioning is complete and permission from the MECP to resume discharge has been obtained.

Site Update (continued)

Front Entrance Landscape Works

- Front entrance landscape work has been completed.
- Site name will be installed on sign holder soon.

Site Update (continued)

Hauling and Leachate Level Update

- From June to end of October 2026, 4,801,500 L of leachate was hauled to an offsite wastewater treatment plant.
- At the end of October 2026, the leachate level was measured at 190.9 m.

Public Complaints Summary

- Brooks Road did not receive any public complaints from June 2, 2026 to November 3, 2026.

The complaint lines are:

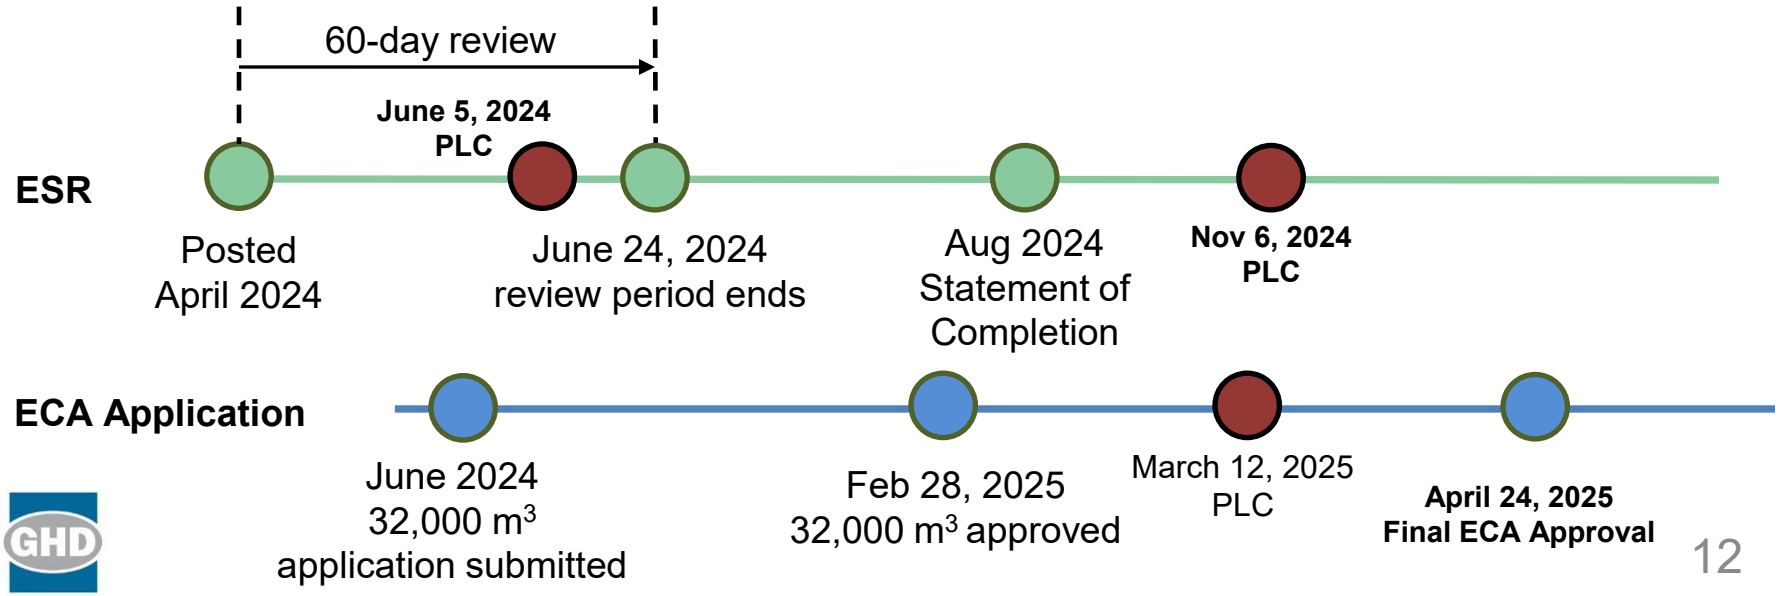

- *Corporate: (416) 966-1100*
- *Site Specific: (888) 402-7368*
- *On-Site Office (416) 389-8876*
- *MECP Spills Action (800) 268-6060*

Site Approvals – EA & ECA

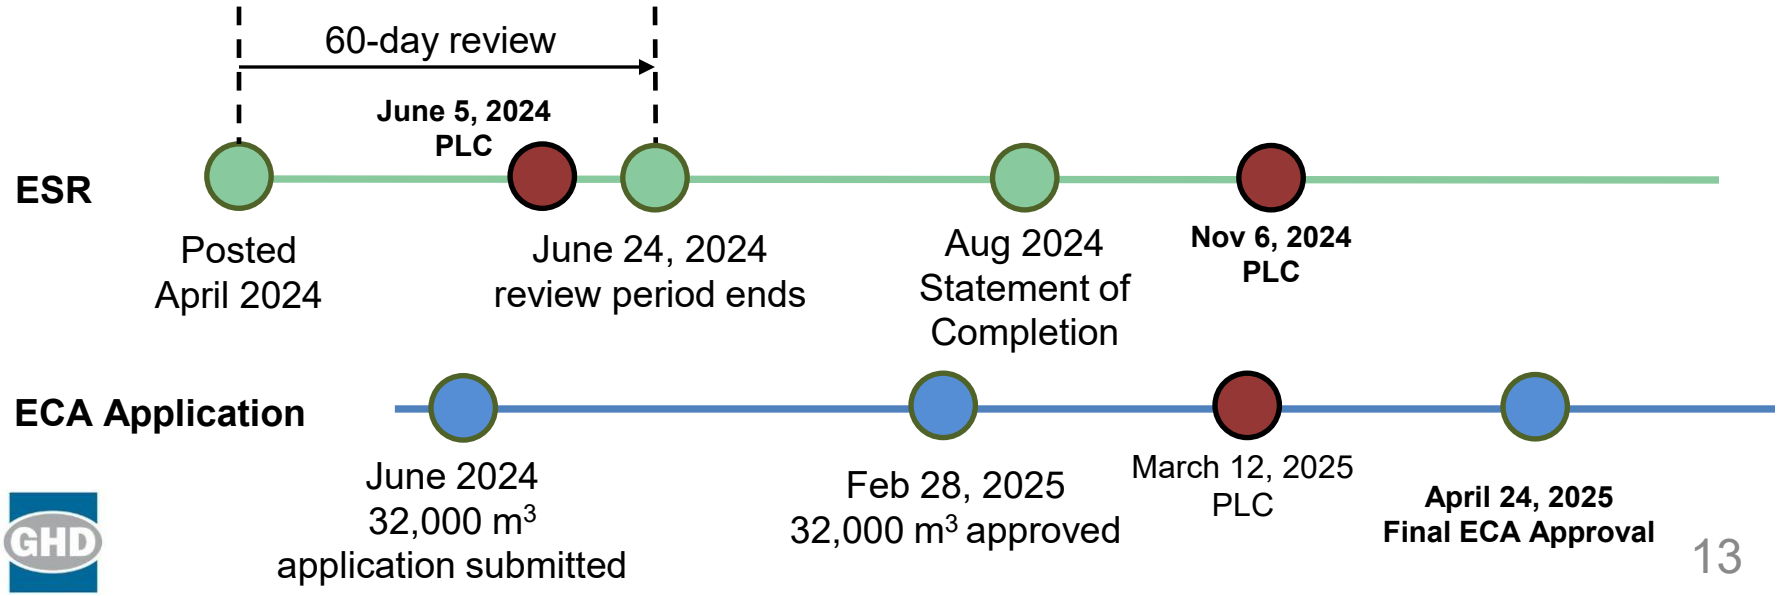

Site Approvals – EA

- BRE has completed the Environmental Screening process to add additional capacity by 219,400 m^3. The approved footprint is expected to change as a result of the increased capacity.
- The final Environmental Screening Report (ESR) was posted for a 60-day review period from April 2024 to June 24, 2024. Statement of Completion issued in August 2024.
- A Final ECA was received for the full 219,400 m^3 capacity on April 24, 2025.

Site Approvals – Expansion Cell

- Design of the expansion cell is completed.
- In fall 2026, due to weather conditions, cell excavation was deferred until Spring 2027.

Community Donations

Community Donations Update

- Since 2024 Brooks Road has donated a total of $58,000. In 2026, the following groups received donations:

→ Cayuga Minor Hockey – $3,750
→ Haldimand 4H Association - $2,000
→ Cayuga Minor Baseball - $3,750
→ Cayuga Food Bank - $5,000
→ United Church Golf Tournament - $500
→ Haldimand Soccer - $5,000

Community Donations Update (continued)

- 2026 donations have been distributed, with the exception of Caygua Minor Hockey as they don't except EFT transfers. Cheque will be mailed Friday November 6th.

- Brooks Road Community Donation Program will continue in 2027 with $20,000 available.

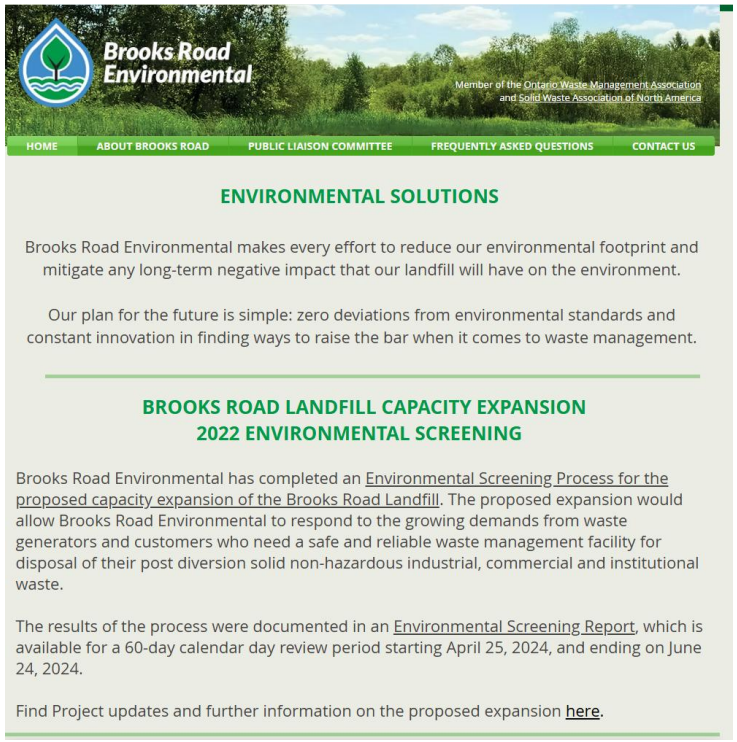

- Potential 2027 recipients can be discussed during the March 2027 PLC

MECP Update

Other Business / Next Meeting

- Today's presentation along with the meeting minutes will be posted on the Brooks Road Environmental website
- Draft minutes of today's meeting will be available within two weeks of today's date
