

Notice of Submission of Environmental Assessment Brooks Road Landfill Vertical Capacity Expansion Brooks Road Environmental

Brooks Road Environmental, the owner and operator of the Brooks Road Landfill, has completed an Environmental Assessment (EA) under the *Environmental Assessment Act (EA Act)* seeking approval for a vertical expansion to the existing landfill. As required under Section 6.2(1) of the *EA Act* and according to the Terms of Reference approved by the Minister of the Environment and Climate Change on July 31, 2015, Brooks Road Environmental has submitted its EA to the Ministry of the Environment and Climate Change (MOECC) for review and approval.

The Brooks Road Landfill Site (Site), which operates under Environmental Compliance Approval (ECA) No. A110302, has an approved fill rate of 500 tonnes per day and a capacity of 624,065 m³ (including waste and daily/final cover). The vertical capacity expansion proposed under this EA is for 421,000 m³ (including waste and daily/final cover) of additional capacity to allow the landfill to continue receiving solid, non-hazardous waste for another 5 to 7 years. This will be achieved through a re-engineering of the Site's

final contours. All proposed changes will occur within the Site's existing waste footprint and Site boundaries. Also proposed as part of this EA is an alteration to the rate at which waste is received at the Site from a daily maximum of 500 tonnes per day to an annual maximum of 151,000 tonnes per year.

The location of the Brooks Road Landfill Site (160 Brooks Road in Cayuga, Haldimand County, Ontario) is shown on the adjacent map.

Members of the public, agencies, Aboriginal communities and other interested persons are encouraged to comment on the EA. As required under the *EA Act*, the EA Report will be available for public review and comment from **Friday, February 10, 2017** until **Friday, March 31, 2017**. A copy of the EA report is posted on the project website (www.brenvironmental.com) and hard copies are available for viewing during normal business hours at the following locations:
